

GOOD TURN CATERPILLAR

Submitted by Erin Dean

1 Cut out the large darker circle, draw a face on the front and write your name on the back.

2. Cut out the other circles (maybe swap colours with someone else).

3. Overlap the circles and staple or glue together, leave flat to dry.

4. For the next week, do a good turn every day, and write or draw it in on each of the circles.
