

# MINI-GADGETS

By Tania Court

## INSTRUCTIONS

Give each group an empty pizza box and a ziplock bag with paddle pop sticks, coloured craft match sticks, tooth picks and some bamboo skewers, some thin twine and a pair of scissors - they could also use the ziplock bag.

Girls can also have access to some camp craft books and the old (still used frequently) handbook.

## CHALLENGE 1

Create the most luxurious camp that you can with the items you were given.

## CHALLENGE 2

As well as creating a luxurious camp you also need to create a raft which floats with weight on it for 5 minutes.

## WHY NOT....

Have a competition between patrols and see who manages to

- Build the camp with the most gadgets
- Make the best tents
- Make the camp that most of the girls would like to be at
- Keep their rafts afloat the longest
- Get their rafts the farthest
- Win the raft races
- Get the most weight on their raft before it sinks
