Why Not

- Get someone from another patrol or leader to fill in the answers and read them out to you, then as a patrol try and guess which girl in your patrol is the right one!
- Do a collage on the wall (in the patrol corner perhaps) with the answers, photos of the girls in your patrol and pictures cut from old magazines.
- Have a competition where the leader reads out each girls answers and the group tries to guess which girl it is – the one that guesses in the shortest number of answers wins or gains points towards winning.
